## Krishna Bhumi wields the broom for a cleaner Chhatikara road

Infinity Group, the real estate major and the developer of Krishna Bhumi has joined hands with 'Friends of Vrindavan' in a bid to help keep the temple town of Vrindavan clean.

In order to support and carry forward the Swachh Bharat Abhiyan initiated by Prime Minister Narendra Modi, the Infinity Group has sponsored the cleaning and garbage collection drive by Friends of Vrindavan on the Chhatikara Vrindavan road, the gateway to Vrindavan from NH 2.

The cleaning of Chhatikara Road by 'Friends of Vrindavan' was started on Akshay Navami in November. Picking up almost fifty trolleys of trash, workers from

the 'Friends of Vrindavan' cleared garbage heaps from major spots and organized a thorough clean up of both sides of the road. Jagannath Poddar, Director of 'Friends of Vrindavan' informed that the street cleaning operation would be further extended up to VidyaPeeth Chouraha soon.

Ankit Bagaria, a senior executive of the Infinity Group confirmed that along with cleaning of the roads, the joint effort will also extend to installing garbage bins, providing an alternative for garbage disposal, planting of trees as well as putting up benches for commuters and pedestrians.
