Vrindavan, 21st January, 2015: The Yoga Guru Baba Ram Dev visited the Prem Mandir. He glorified Jagadguru Kripalu Maharaj by saying that he will be remembered by the world for a long time. He spread the holy name of Radha and Krishna in the masses. He admired the beauty of the Prem Mandir and said that it was unmatched with any other building of the world.

While talking to the media persons Swami Ram Dev said that the Vedas are the oldest literature of the world. He stressed that even the muslim intellectuals admit it. The Islam was not known 2000 years back. The Quran is the latest of all the religious books. There shouldn't be any problem to anyone to accept this truth.

When the journalists sought his opinion of recent comment of the UP's minister Azam Khan on the Governor, he stepped back and avoided to answer it. He said that he wanted to have the arati darshan of the deities. He said that he was in spiritual visit and was not interested in talking politics.
